From the Manager: The SIEC nominating committee is starting its search for candidates willing to become members of the Board of Trustees. The nominating committee will meet Tuesday, May 5 at 2:00PM in the Methodist Church Annex so please express your interest before that date. The election will be held at the Co-Op Annual Meeting on Thursday, July 23 at 7:00 PM in the Odd Fellows Hall.

The next quarterly meeting for members is **May 28 at 7:00 PM in the Library**. There is a lot going on. Please join us to stay informed.

In case you are not aware, the SIEC can send you your bill by email which saves postage and envelopes. Please contact Karen at the office to set that up.

The following note is from Bonnie and Ted Turner:

“It hardly seems possible that a month has gone by since the fire. Ted and I would like to send a special thanks to Angela and Gary for putting up with Mom and Dad, and Ashley and Wyatt for putting up with Nana and Poppa for the first two weeks. Also, a special thanks to Abby and Sam for allowing us to have a temporary home. The help and support has been tremendous from clothes, food, money and cards to dishes and furniture not only from Swan’s Island, but the mainland as well. Our new home is being built as we speak, and hopefully if mother nature will cooperate, the land work can be finished, and the Turners can return home to Minturn. Although words are not enough, again we would like to thank all of you for your support and generosity. When the good Lord went looking for guardian angels, he found a whole community called Swan’s Island.

God Bless you all,
Bonnie and Ted.

From the Board: Thirty-five years is a long time. In April of 1980, Dexter Lee – then Manager of the Swan’s Island Electric Cooperative – informed Bonnie Turner that she had been selected for the Bookkeeper position at the Cooperative and that the job was hers if she wanted it. Thus began a long career of service to members of our Cooperative...and through good times and bad she has persevered to become the “institutional memory” of our organization. On behalf of the Board and all Cooperative members, I’d like to recognize her, publicly, for her many years of loyalty and dedication.
